

# SOURCE MUST DO'S

## THE PENGUINS

HCMAG (Hockey Club Morzine Avoriaz Les Gets), better known as The Penguins are Morzine's very own pro-league ice hockey team. A hockey match is a great night out and it's relatively cheap too. Keep an eye on the Morzine Source Facebook page as we give away 10 pairs of tickets for every Ligue Magnus game.

## POINTE DE NYON

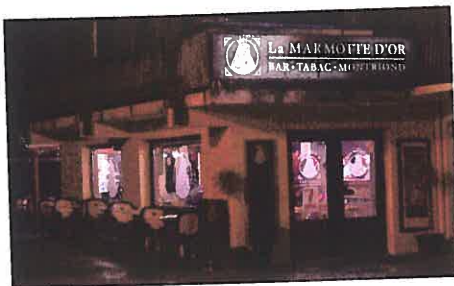

This iconic peak on Morzine's skyline is often overlooked by locals and tourists alike, yet its easy access and its high altitude never fail to provide when conditions are right.

## L'AUBERGADE

Ski-in dining. L'Aubergard's prime location isn't even its best feature. With traditional home-cooked classics and modern gourmet options back-to-back on the menu, don't miss this piste accessed stop-off after a hard day on the hill.

## LE TREMLIN

You'll hear Le Tremplin before you see it. Every Wednesday this is THE place to be for Morzine après. With big basslines and an even bigger atmosphere, you'll dance in your ski boots until the days skiing aches are long forgotten.

## MARMOTTE D'OR

Relatively new on the scene, the La Marmotte has quickly developed a strong following of locals. There's a great pub-style menu and it's always full of friendly faces. Montriend's number one drinking den was also the winner of the Favourite Bar category in our 2015 Source Awards.

## GEOCACHING

Les Gets has joined the world's largest treasure hunt. The concept is simple; download the Geocaching app to your smartphone, pick your target and head off into the hills to find the hidden box. It's a fun, free, adventure for the whole family.

## LA PAIKA

If you're looking for the premiere mountain lunch spot in the area, you can't go far wrong with La Paika. Its large sun-drenched terrace and high quality food are an unmissable treat during any tour of Les Gets. Find it halfway down the Vorosses piste, accessed from the Grains d'Or Express chairlift.

## HOTEL LA MARMOTTE

The freshly refurbished Marmotte offers a chance to get away from the traditional rustic feel that the rest of Les Gets is smothered in. With a modern, contemporary and stylish feel, the various dining options at La Marmotte provide a quality dining experience in the heart of Les Gets.

## LE APRES SKI BAR

Any bar named after mid-afternoon binge drinking is surely going to be pretty dedicated to the task. With drinks, crepes and regular DJs, this should be your first stop when heading down from the hill with thoughts only of beer.

## BAR BUSH

A mecca for seasonnaires and locals looking to party, this social hub of Les Gets can get pretty wild at times. With elaborate use of tinfoil during fancy dress nights and weekly quizzes, Bar Bush puts the fun into the resort's nightlife.

## AQUARIAZ

This is probably your only chance to splash around in a tropical themed waterpark with views of snow-capped mountains from the window. What better way to relax after a hard day on the hill than a long hot soak in a hottub whilst the kids amuse themselves on the aquatic climbing walls and halfpipe slide.

## IGLOO VILLAGE

You'll find a bar, restaurant, club and art gallery all rolled into one chilled package. The Igloo Village, located on the slopes above the resort is a wonder to behold. The intricate ice carvings won't fail to impress, but if you need more persuading, an ice cold cocktail should do the trick.

## COOKIE.CAFÉ

Probably one of the highest cafés in Europe, (it's certainly the highest in the PDS), Cookie. Cafe is a room with a view, no doubt. Perched perilously on the ridgeline separating France and Switzerland and offering a great range of food and drinks for the hungry skier, this is the ideal stop for a spot of lunch on the hill.

## LA KINKERNE

For many years La Kinkerne was great spot for a quiet beer en-route to Morzine after a day in Avoriaz. The elderly owner Marthe always had a smile to offer. Now it's been acquired by the team at Adventure Base. With a bit of a revamp, DJ's playing daily from 4pm and a short walk to the late running bus to Morzine, La Kinkerne is the new après hotspot in Avoriaz.
